PROFILES

I've been developing websites for over two years, and I'm a specialist in **WordPress, HTML, CSS, and Javascript**. I am able to operate well both in a team setting and on my own.

EXPERIENCES

WordPress | 2022 - Present

- With WordPress, I create so many websites like **Portfolio, Resume, E-commerce, and many more**
- **Themes:** Avada, Astra, Divi, Hello Elementor
- **Plugins:** Elementor, WooCommerce, YoastSEO

Front-end Development. | 2021 - Present

- Create a full and responsive front-end website with pure coding HTML, CSS, and Javascript.
- I'm also focusing on **Bootstrap** and **React** to design websites that are attractive and interactive.
